# Survey statistics by students

In terms of **satisfaction** of the programme:  
Are you satisfied with the EU4EU project?

# In terms of Support from the National Coordinator

Are you **satisfied** with the support from your national project coordinator?

**WHAT IS THE  
MAIN DIFFERENCE  
BETWEEN THE TWO  
PROJECTS?**

# OBJECTIVES ACHIEVED

---

- **High satisfaction** with the **programme** by students who participated
- **High satisfaction** with the **support** provided by the Italian National Consortium
- **Growth over the years** in terms of **numbers** of completed applications

# HOW WERE THESE RESULTS ACHIEVED?

---

- Through **Good Management Practices**
- Through **Communication**

# GOOD MANAGEMENT PRACTICES

Good Management practises used are:

---

- **Constant support** for students at all stages of the Programme
- **Consistency of the procedures** to be carried out in accordance with the Call for Application

# COMMUNICATION

How does the Italian Consortium use Internal Project Communication?

---

- Through the **speed of communication** via **email** and **telephone** with students and all Universities in the consortium
- Through **clarity** of information provided to students

# STRENGTHS

---

- **Strong Knowledge of the Programme at national level**, through a dissemination network between EuGen and Partner Universities
- **Efficient Programme Management** of the National Consortium

## What needs to be improved?

- **The shared communication strategy** between EuGen and Partner Universities
- **Create greater involvement** of all Consortium Partner Universities
- **Increase the number of scholarships** to be awarded in order to meet the high student demand

## How?

- Requesting funds from the National Agency to cover more scholarship
- Possibility of awarding EU4EU traineeships through funds available to Partner Universities
