

European Universities
for the European Union

PROJECT SUMMARY

Since 2015, **EuGen** has been running the **EU4EU program** to facilitate the transition between Higher Education and access to Employment through **Erasmus +** professional **Internships** in Europe-based Companies.

Higher education institutions participate free of charge through the seven-year accreditation of Erasmus+ National Consortia (KA130) and annual scholarship funding (KA131).

To date, 46 Universities in **Italy, France, Spain** and **Portugal** participate in the Program.

TRAINEESHIPS

The EU4EU program awards Erasmus+ grants for **Highly Qualified Internships** of 2 to 5 months. Using an inclusive approach and digitized procedures, the program aims at maximizing the **Employment Impact**. The traineeships focus mainly on EU projects and promote the development of skills such as project writing and management, communication in international environments, analytical and problem-solving skills, research, and technical skills that significantly enrich the trainees' curricular profiles and enhance the participants' employment and self-employment prospects.

NETWORK

EuGen - European Generation has been the founder and international coordinator of the EU4EU programme since 2015. Collaboration between the leaders of the National Consortia improves Management Efficiency through the sharing of Best Practices, innovative common Management Software and an extensive and consolidated **Database of Host Organisations**. The EU4EU Network brings together universities, companies and students from all over Europe, offering its members a participatory dialogue for the creation of partnerships, the development of European projects and opportunities to study and work abroad.
